

Water Treatment Operator

GENERAL

The Darlington County Water & Sewer Authority (DCWSA) has an exciting opportunity for a Water Treatment Operator. DCWSA is located in the Pee Dee Region of South Carolina within a short drive of the coast and Columbia. Organized in 1971, DCWSA was developed to serve the rural community of Darlington County and has grown into the surrounding counties. The quick access to I 20 and I 95 have given the area much opportunity for growth and expansion, leading DCWSA to service over 18,000 water accounts. DCWSA offers excellent benefits such as paid sick leave, paid vacation, SCPEBA insurance and retirement plans and competitive pay based on qualifications.
